MARRIAGE PREPARATION

Marriage preparation will be via:

Prepare Enrich with the celebrant marriage preparation with another minister

A marriage preparation seminar in the area in which we live

SOME OTHER PRACTICAL DETAILS :

Confirmation of date

The cost of a wedding at All Saints Church Bodalla is \$800.00. Your wedding date will be confirmed on receipt of a deposit of \$100.00. (Leaving a balance of \$700) The payment can be sent by cheque to Bodalla Parochial Council, PO Box 535 Narooma, 2546, or deposited in the following account:

Bodalla Parochial Council BSB 082 744 Account no. 509 821 522

If payment is made by internet transfer, please mark payment "wedding" with your surnames. Please also send an email receipt to narang2546@gmail.com

Interview

An interview needs to be arranged with the celebrant at least three months prior to the wedding. At this interview, the Notice of Intended Marriage form and an application for your Marriage Certificate needs to be completed and *original birth certificates* of each partner sighted.

Music & rehearsal

Music needs to be in keeping with the occasion. The church sound system will take CDs or can amplify a phone or ipod. Live musicians are also welcome.

An organist, if provided by the couple, is welcome to play our historic Willis pipe organ. Unfortunately, there is no longer an organist in the parish.

The rehearsal is normally scheduled the evening before the wedding. It is recommended that the Bridal Party, the person 'giving away' the bride and any readers attend, and the music be available.

A final document called "the Declarations" also needs to be signed by the bride & groom at the rehearsal.

Two ushers to show people to their seats and someone to ring the bell as the bride and groom depart from the Church is also recommended for the wedding day.

Please finalise the balance of your payment 2 weeks prior to the rehearsal.

May this time of preparation for your wedding be one of blessing and growth!
