“First, Joseph looked at the past and gave God thanks for what He had brought him through. And you need to do that too. Whether it's stuff others did to you, or stuff you did to them, God's grace brought you through it.

There's only one good reason to bring up the past, and that's to remember how God guided, protected, and blessed you in it.

Second, Joseph looked at the present. ‘God has made me fruitful in this land of my grief.’ Look what the Lord has done in your life!

In spite of the obstacles and the opposition He has blessed and taken care of you.

Turn off the complaining tap and turn on the thanksgiving tap.

‘In everything give thanks, for this is the will of God in Christ Jesus for you.’
