ABM Pew Sheet Reflection 2019: “Does Jesus really require us to destroy self, family and all other meaningful human relationships, as well as getting rid of all our possessions (whether useful or not), in order to be His disciples? In other passages He urges us to love one another and tells us that this love is the test of discipleship. So, He doesn’t really want us to hate anyone. He is using typical Middle Eastern exaggeration (as He often did) to get people’s attention and drive home the point that all other loyalties need to be subsidiary to our relationship with Him.”
