**ABM Pew Sheet Reflections 2023:** "Today the Psalmist tells us to 'Give thanks to the Lord and call upon his name'. Many, perhaps most of us, are good at asking God for things, especially when we undergo difficulties and stressful situations. But we're not so good at gratitude. Some people like to focus on thankfulness by keeping a gratitude journal, in which they write down the things that they felt grateful for that day. It's a good way of taking notice of the small blessings all around us because each entry doesn't need to be for something extraordinary, like an overseas holiday. Most of them are likely to be for the small but special thing in life – a beautiful sunset, a good catch-up with a friend, a hobby enjoyed.

- **Lord, help me** to be thankful for all the blessings you extend to me.
- **Give thanks** for the work and witness of the Episcopal Church in the Philippines. "

**"DO WE NEED REVIVAL TODAY? – Aziza Green explores the what, why, how and when of Revival"** - summarised from ETERNITY, Winter 2023.

\* *"Revivals are very dramatic, often involve emotion."* – Jonathon Edwards.

\* *"Revival is a concerted assault on the powers of darkness - there is a spiritual dimension"*

\* *The implication is that the church, believers, were asleep. Tired. At times, exhausted."*

\* *"...Through revivals, God equips us for a purpose and to get on with it. Once we are refreshed, we can start again."* – Prof Stuart Piggin.

\* *"Revival is about bringing what was dead back to life"* – Pastor Jemima Varughese

\* *"The 1902 Illawarra Revival, (2735 conversions, 15% of population) showed that debts were repaid, less children were born outside marriage, mine horses couldn't work as they no longer understand the miners' commands because they had stopped swearing.... and showed a decline in national crime and immorality... the same showed in Australia's 1959 Billy Graham Crusades"* - Prof Stuart Piggin.

\* **1939 Pinnacle Pocket (FNQ) Revival** equipped scores of aboriginal Pastors to ministry.

\* **The 1979 Elcho Island Revival** "empowered First Nations people... to survive & thrive."

*"Across Canada, New Zealand, the UK and Australia there are small fires all over the place. Like a bushfire, revival takes off when the environment is right..... Revival increases people's love for Jesus, which then flows out into the world."*

– Pastor Mark Sayers.
