**ABM Pew Sheet Reflections 2024:** *“Healing Hands* - Our hands can be used for many things, including healing and prayer. Dr Ben Carsons is a brilliant and renowned neurosurgeon with *Gifted Hands*, but without the love of his mother & her faith in him, his life would have been very different. Without Jesus using his hands for healing and prayer, Simon’s mother-in-law and those who are sick or possessed by demons would not have been healed of the things that afflicted them. How can we use our hands to bring comfort & healing to others? How can we use our hands for prayer?

In the words from *Jesus’ hands were kind hands* by Margaret Cropper, *“Take my hands, Lord Jesus, let them work for you ... till my hands are kind hands, quick to work for you.”*

**\*Pray** for all who use their hands to bring healing wholeness to others & pray for others.
