SUNDAY JUNE 5, 2022 – *"O God, who in smoke & fire upon Mount Sinai gave the law to Moses, & who revealed the new covenant in the fire of the Spirit: grant, we pray, that, kindled by that same Spirit which You poured forth upon Your apostles, we may fulfil with joy Your commandment of love. We ask this through Christ our Lord, who lives & reigns with you & the Holy Spirit, one God, now and for ever. Amen."*

ABM Pew Sheet Reflections 2022: *"Today we read St Luke's account of the descent of the Holy Spirit on to the disciples in Jerusalem. Rushing wind was heard & tongues of fire were seen. Some heard their own languages from around the Mediterranean being spoken by Galileans. Meanwhile, as ever, some scoffed & mocked. Peter assures the crowd that this is the fulfillment of the prophecy of Joel, after which time everyone who calls on the Name of the Lord will be saved. If I were to examine myself, would I find times in my life where I had mocked others for their faith in God? How might I look for the Spirit in my life?"*

Their next appeal is on July 20 – Please continue in prayer that they realize God's plan for them. Jer 29:11: *"I know the plans I have for you, says the Lord. Thank you everyone - reports around town are that Sunday's FUNDRAISING LUNCHEON was a great success! The hall looked great, we heard there was food a-plenty, & of course, some great music, thank you Bruce & Mick! Over 50 people attended & **raised \$1066** for Parish ministry. Again, **a BIG THANK YOU to all who set up, donated, provided, created, laboured, entertained, and of course, who came along to make it such a fun day!**

TUES JUNE 7, 1.20pm: MOVIE CLUB – LITTLE TORNAOES (M) 1hr30 – *“Italian immigrants, Tony and Maria show Leo that there is joy in life beyond the very limited world view that he has grown up knowing....Maria's narration captures an outsider's view of Australia in a way that is profound & beautiful. As much as Little Tornadoes is about two generations of Australian men, it is also about the transformative power that immigration has had on Australian culture & society in ways that Australia did not just simply benefit from, but possibly needed in order for the county's collective soul to survive.”* – Thomas Caldwell, ABC Radio, Melbourne
”Kinema request pre-bookings if possible; **(NSW Gov Discovery Vouchers expire June 30)**

RETURN & EARN – Can we reach \$10,000 by mid-April 2023, 5 years after R&E began in Narooma? When we hit \$5,000 a couple of months ago, Thea & I queried us reaching \$10K in the not-too-distant-future. May saw R&E bank \$267.70, & thanks to everyone’s efforts, our total recycling income is now **\$6,770.80**. So now, **the challenge is on – to reach that \$10,000 within 11 months! A distinct possibility, lets keep the cans a’coming! (or is it a’going?)**

“SEE WHAT THE CHURCHES ARE DOING IN THE WORLD: ABM’s Anglicans in Development partners & their communities will take many years to overcome the impacts of COVID-19 on efforts to combat poverty. But some suffer the additional burden of ongoing conflict & humanitarian crisis. **The technical term for this is “protracted crisis”.**

Our partners in Myanmar & Gaza live each day in protracted crises. Ordinary people in Gaza live with poverty, foreign blockade, frequent border closures, chronic power shortages, limited health access & sporadic live conflict. In Myanmar, over 800,000 people have become displaced because of conflicts & the loss of previous informal work opportunities. And yet our church partners never give up. Inspired by their strong faith in God, they continue to reach out to their local communities providing love & hope, & working for justice. **Anglicans in Development** is proud to stand in solidarity with them & our partners in other parts of the world, and we urgently need your help.

In the far southeast of Myanmar, near the Thai border, lives 69yo Naw Paw Htoo, a mother of 14 children & many grandchildren. For most of her life she has had to walk great distances each day to fetch clean water from mountain springs. But now that the Church of the Province of Myanmar has, with AID’s support, piped clean water to her home, she says, *“I am so happy that I don’t have to carry water again, and I am no longer tired. I enjoy using fresh water each day, taking a bath, and having water for washing, drinking and cooking.....”*

.... **On the other side of the world, in Gaza**, the Ahli Hospital, one of the Jerusalem Anglican Diocese’ many outreach operations has moved part of their nutrition program out into the communities. The hospital has already trained ten community mobilisers to go into the homes of mothers of malnourished children to teach nutrition, breast-feeding, women’s rights.

Aamira says, *“Empowering mothers in this way will help prevent child malnutrition in Gaza.”*
This year, please give generously to ABM’s Anglicans in Development Pentecost Appeal. Your gift will support all our partner churches to continue to do their extraordinary work in the world. www.abmission.org/Pentecost2022; Lock Bag Q4005, Queen Vic Building NSW 1230”
