ABM Pew Sheet Reflections 2024: "On this Sunday some years ago, I celebrated the eucharist for Iranian Christians in a refugee detention centre. The doors were locked because we had been made afraid of them. This place of torture was designed to keep out all signs of hope and compassion. But guards and razor wire could not keep the risen Lord out. Bread was broken Christ had risen and was present with the world's most vulnerable people.

ABM Pew Sheet Reflections 2024: "The Psalmist assures us that knowing Christ's presence takes away shame and brings refreshing, gladness and peace. Today we are reminded that Jesus stood among his disciples and helped them to see his truth. As his witnesses, we stand among others who are disbelieving and still wondering and we show them the presence of the risen Jesus in the world through our transformed lives.

- **Lord, help us** to welcome your transforming presence in our lives and give us the courage to make you visible to a suffering world.
