ABM Pew Sheet Reflections 2024: "Mountains are special places. I love that it takes so much effort to hike to the top and then you are rewarded with a spectacular view. In the scriptures God is often encountered at the top of mountains. Peter, James, and John see Jesus meet with Moses and Elijah, then they hear the very voice of God. It's no wonder they want to stay but like all mountain top experiences it must end. When we encounter God in our own mountain top experiences, we need to take that feeling down into our everyday life."
