From Email, author unknown - Subject: **I love a Sunburnt Country -**

*“I love a Sunburnt country, a land of sweeping plains.*

*But I’ve gotta tell ya mate, I like it better when it rains.*

*The countryside is dying and there’s just no end in sight, and just to rub salt in the wounds, the bush has caught alight.*

*The landscape is on fire from Brisbane, to way down past the Gong*

*And everybody’s asking “where on earth did we go wrong?”*

*But we can get through this one if we help each other out, take care of our neighbour, that’s what Aussies are about.*

*The rain is going to fall again, the good times will return.*

*But living in Australia means at times it’s going to burn.*

*So if you need a helping hand, just give a mate a call.*

*We’re all here to help you out, and catch you when you fall.*

*The RFS & VRA, the SES & Fireys, the Ambos & police, all put their lives upon the line to help to beat this beast.*

*So hats off to these heroes, and thanks for all you do*

*And I hope when this is over, we can make it up to you!”*
