**ABM Pew Sheet Reflections 2023:** "We don't know what the kingdom of heaven is like & Jesus has given us many parables as clues to what it may be like. It might be hard for us to understand about oil for lamps when we easily turn on a light switch. Jesus' teaching is more than simply what we need; it points us to be prepared for what may come our way. We are to be ready for when he meets us, that we may have enough light to shine on the One we love."

**GAZA HOSPITAL:** "Although the buildings were heavily damaged Oct 18, our devoted staff partially re-opened the (partly solar-energy powered) hospital, thus demonstrating the Diocese of Jerusalem's attitude to persevere in our Christian mission to serve others as though we were serving Christ himself (Matt 25:31-46). And...**not just for Gaza, but throughout all the Holy Land.** Yet in order to accomplish this mission in the midst of a devastating war, we need to draw upon the strength of the larger Body of Christ. For we understand that when one member of the Body suffers, all parts suffer (1 Cor 12:26).

*"And so, ...I appeal to you first of all to pray for our mission here, as well for the peace of Jerusalem (Ps 122:6). Secondly, advocate... for a just and lasting peace in the Holy Land, so that all who dwell within these lands can live in security.* Finally, if you are able,
