****CLEANING ROSTER:** *“Is anyone available to be part of this ministry - I have an odd number of helpers and would love to have another to join in. This would mean that we would do a seven-week rote instead of six we do now. Please give this thought. (We now have TWO fellows on the roster, so it is not female exclusive.)*

And if anyone knows they will be away at certain times, can they please let me know so I can work the roster around these dates”. Libby, 44676906.

*“Oh High King of heaven, have mercy on our land;
make it indeed “The Great South Land of the Holy Spirit”.
Revive Your Church; send the Holy Spirit for the sake of the children.
May Your Kingdom come to our nation, to our towns, and to our families,
In Jesus’ mighty Name, Amen. - Caleb Prayer (amended) – The Grace Awakening.*

- And Pray:
1. That God will be merciful in preserving life
 2. For the conditions needed to extinguish the fires & heal the land, flora & fauna
 3. For those called to respond to human need in various ways & in unity - including churches, agencies such as Anglicare, schools, volunteers, the different services & organizations such as the fire brigade & hospitals
 4. For our witness to the Lord Jesus in a season of uncertainty & that people will know during difficulty the comfort of God’s love through Jesus. That people will come to faith or grow in faith.
 5. For our nation to work together harmoniously on the longer-term issues impacting our climate, natural systems & communities
 6. For an abundance of acts of love, faith, hope, grace, peace, kindness, gentleness, forgiveness, self-control & patience throughout this difficult time
 7. For all of our political leaders – Federal, State & Local & in all political parties – as they respond to the fires, drought & the environmental issues. Pray they have the strength to deal with the pressure of their role. That they lead justly with mercy, grace & humility. Pray for the safety of all politicians including our Prime Minister & the opposition leader & their families & all dear to them. Pray that all of our politicians know God’s love, wisdom & strength during this time.
 8. For people grieving. For those dealing with anxiety. For people worried about the smoke. That all hurting can move gently through their emotions, for example - anger and bitterness, & that they receive much care & kindness from those around them. Help them to know God’s hope and love during this difficult time.
