**ABM Pew Sheet Reflections 2023:** *"Sometimes life can feel overwhelming – as if we are in a small boat being buffeted this way & that by forceful waves & strong winds & that there is nobody to help us. The Psalmist tells us where help is to be found: the name of the Lord who has made heaven & earth. That same help allowed the Psalmist to write: 'We have escaped like a bird from the snare of the fowler; the snare is broken, & we have gone free'. Being able to be at complete liberty and escape from certain doom is available to all who need it today."*

**SOME THOUGHTS on REVIVAL**, summarised from ETERNITY, Winter 2023. (Inside the Asbury Revival: Why God Sent me and what I Learned - Rebecca Abbott)

- + “You walked in there (Asbury University Revival, Feb 2023) and you heard just chorus after chorus of everyone there joining in singing together (Jon Snyder, filmmaker.)
- + What the Holy Spirit was doing en masse to so many people – there were college students, some weeping, some joyfully laughing... God was moving and touching the hearts and lives of people, and that’s what I saw.”
- + ‘You heard so much about unity. The students were just driven into unity.... So many people experienced a heart transformation during the time...’
- + “It feels like to me that God is moving, that God is stirring His people, and the people are responding – they’re hungry. .... So it feels like this is the precursor... **But I feel like it’s the start of something.**
- + The main take-home lesson is this: the need for God’s people to come together in unity to worship him.... God’s people were coming together just for the sole purpose of worshipping him and God was pouring out his Spirit indiscriminately on people. People there from all different denominations.
- + The people there were in one heart, one mind, and God’s response was, in a large part, because of the unity showcased there.
- + **“Revivals are not taught, they’re caught. When you learn about a revival, it can spark in you the same desire for a move of the Spirit. That’s why it’s important to talk about them,**
