ABM Pew Sheet Reflections 2022: *"In his 'sermon on the mount' Jesus tells us about the kinds of people who will be blessed by God: the poor in spirit, those who mourn, the meek, those who hunger and thirst for righteousness, the merciful, the pure in heart, the peacemakers, the persecuted, the reviled. We can see that none of these are what would normally be thought of as successful people. God's values do not align with worldly attainment. Those who will be blessed by God have already been dismissed by the world as being irrelevant failures, yet God's heart treasures them. How can we renounce things like status, power, and worldly wealth for those things that God finds value in?"*

- **Lord Jesus Christ**, may I always value what you value, eschewing those things of no ultimate significance.
