ABM Pew Sheet Reflections 2022: *"Jesus tells us the Parable of the Rich Fool – someone who wants to store up his harvest rather than worrying about the state of his soul. How can we worry less about material things & concentrate on building up our love for God & for our neighbours?"*

- **Jesus Christ**, more precious than gold or diamonds, help me to seek those things that are worthy of storing up in my soul so that I will not live to die a rich fool.
- **Give thanks** for ABM's networking partner, Episcopal Relief & Development (ERD), USA.
- **Pray Healing for:** Col & Jan; Pam & Chris; Bob B; Marion; Karly; Wendy B; Sylvia; Stephen L; Lindy C; Kerrie Anne; Greg; **Pray Comfort** for all who grieve.

They are still awaiting the decision on their July 20 Appeal so please continue in prayer for peace in their hearts, & that God's plan for each of them will be realized – as in Jeremiah 29:11: **"I know the plans I have for you, says the Lord. Plans to help you, not to harm you; plans to bring you a hope and a future."**

Can you imagine the change in the world if we loved like Jesus?

Not just lip service, *really* loved like Jesus? What if we actually loved our enemies?

What if we loved the difficult people in our lives?

What if we considered anyone outside our door our neighbour, and loved them consistent with how we love ourselves?

What if we begin with just one person? Today. (Robin Dance, (in)courage, Dayspring

From TINGLES Latest NEWSLETTER: Dear friends, we want to thank you for your continued prayers & support....We have just got back from our **annual conference** with the SIM Thailand team. It was really great to be able to get together again after 3 years (due to Covid). We were able to welcome many new people, reconnect with some old team mates, have some time to be refreshed... There are now over 100 of us from different countries working in different parts of Thailand involved in activities such as: church planting, English teaching, sports coaching & discipleship, ministering to youth-at-risk, counselling, **Please pray for God to sustain & work powerfully through His people & that Thailand's unreached may know Jesus.**

Praise God for the work he has done in P's life. P first came to the Centre in February by invitation of one of his school friends. Although he didn't take English classes, he has enjoyed the community of the Centre & has come to hang out regularly...Over time he accepted the invitation to join in with a cell group at a local church & God gave him a curiosity to find out more. He has since been studying the Bible with the pastor from this church & **made the decision to follow Jesus and be baptised!! Please pray for P to grow in his faith & for others around him to be encouraged to follow Jesus as well.**

We were also blessed to have a visit from all of Alisa's family for her 40th birthday last month; & good friends from NZ & Chiang Mai paid us a visit. It was so good to be able to **spend time together with loved ones** after such a long time of not having visitors.

While there have been many encouragements at this time, we'd also like to share with you that these last couple of months there have been **challenges:**

We... are feeling weary & finding it harder to keep investing in new relationships when it feels we are always saying goodbyes. The girls especially are grieving the loss of many close friends. **Please pray for us during this hard season.**

We have also had a number of unexpected extra expenses in the last few months that add pressure. Both our cars feel like they've been at the mechanics constantly & school fees have jumped up with Maya now in 10th & Lucy starting high school. If you would like to help please contact us directly for our bank details.- mattalisatingle@gmail.com, Please shoot us a quick reply - & let us know you have read this, & prayed, it is a great encouragement to us! **We'd love to hear how we can pray for you too...**
